Subject:- Arrears of pay due to H.K.Ramachandra, Operator, Water works, Chintamani for the year 1945-46.

...

Sir,

In forwarding herewith the file of records received from the President, Chintamani municipal Council with his No. H.C.7/45-46 dated 5th November 1946 on the above subject, I have the honour to state that the pay of the water works operator, H.K.Ramachandra of Chintamani municipality was converted into a graded appointment on Rs. 40/-4-2/56 with effect from 1945-46 in pursuence of Government order No. L.12002-17/M.L.163-42-55 dated 12th June 1945 revising the scales of pay of operators fitters and helpers attached to water works establishment of the 12 local Bodies specified in the Government Order in which Chintamani was also included. The revised scale was given effect to from 1-7-1945 in this office memo dated 15th July 1946, copy of which i enclosed in the records. The official in question was getting a pay c Rs. 30/- per month prior to the revision and after revision he was fixed on Rs. 40/- per month in grade 40-4/2-50 with effect from 1-7-45. Therefore for the year 1945-46 a sum of Rs. 120/- at Rs. 10/- per month has to be paid to the operator on account of arrears of pay and this amount could not be met out from municipal funds as there was no budget provision to meet the extra cost. He was given a pay of Rs.40/- per month from 1-7-45 as this expenditure was included in the budg estimates of the current year

The municipal council of Chintamani who considered the subject of paying the arrears amounting to Rs. 120/- have resolved at their meetin held on 16-9-1946 that the amount necessary to pay off the arrears of pa may be met out of the closing balance of the municipal council. I request you to kindly obtain sanction of Government to the resolution of the municipal council dated 16th September 1946 to pay the arrears of salary of Rs 120/- due to the operator from the closing balance of the municipality.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner, Kolar District.
